

ROMANTIC REBEL

GUESS Watches defines dimensional florals and brocade patterns offering an edgy flair with a romantic twist.

The magic of the night gets wrapped up in contrasting gold and black sequins creating a romantic twist for the flirty and rebellious. At the center of this dramatic arrangement lies dimensional florals and brocade plush patterns - the perfect touch of glamour.

Taking the stage is a dreamy, luxe silhouette in polished gold mesh. The main attraction is its black and gold brocade patterned dial enclosed by a gold crystallized case – there is no doubt that opposites attract.

The edginess of the collection is exemplified in the debut of glitter dials and black sparkle leather straps that can take any look from day to night. The mix of dark tones with polished gold cases create a bold fusion that is sure to enhance her accessory wardrobe.
