

ON THE MOVE

High performance for the active lifestyle

Add a touch of fun to your wrist this Spring/Summer season with bright whites and pops of color. Sporty with a relaxed feel are the attributes of this GUESS Watches Active Life collection.

For the girl on the move who wants to take her active lifestyle from day to night, a matte white silicone case and bracelet with a matching multifunction dial is the go to accessory.

For the leisure weekends by cool waters, the splashes of watermelon pink and oasis blue blend with neon hues as the passing of time on saturating summer days.

Elevate your style. Get active with these contemporary, high performance silhouettes.
